Safe Sleep Practices

1. Infants will be placed on their backs in a crib to sleep unless a physician’s written statement authorizing another sleep position for that infant is provided. The written statement must include how the infant shall be placed to sleep and a time frame that the instructions are to be followed.
2. Crib shall be in compliance with CPCS and ASTM safety standards. They will be maintained in good repair and free from hazards.
3. No objects will be placed in or on the crib with an infant. This includes, but is not limited to, covers, blankets, toys, pillows, quilts, comforters, bumper pads, sheepskins, stuffed toys, or other soft items.
4. No objects shall be attached to a crib with a sleeping infant, such as, but not limited to, crib gyms, toys, mirrors, and mobiles.
5. Only sleepers, sleep sacks, and wearable blankets by the parent/guardian and that fit according to the commercial manufacturer’s guidelines and will slip up around the infants face may be worn for the comfort of the sleeping infant.
6. Individual crib bedding will be changed daily, or more often as needed, according to the rules. Bedding for cots/mats will be laundered daily or marked for individual use. If marked for individual use, these sheets/covers must be laundered weekly or more frequently if needed.
7. Infants who arrive at the center asleep or fall asleep in other equipment, on the floor or elsewhere, will be moved to a safety-approved crib to sleep.
8. Swaddling will not be permitted, unless a physician’s written statement authorizing it for a particular infant is provided. The written statement must include instructions and a time frame for swaddling the infant.
9. Wedges, other infant positioning devices and monitors will not be permitted unless a physician’s written statement authorizing it for a particular infant is provided. The written statement must include instructions on how to use the device and a time frame for using it.

By signing the line below, I acknowledge that the director or designee has advised me of the safe sleep practices followed by the facility.
